OBJECTIVES

It is our objective and purpose to incentivize graduates or young individuals to invest themselves in Jackson County by coming to, returning to or remaining in Jackson County for employment and who contribute positively to the community and establish roots in Jackson County. We encourage younger generations to invest themselves in community enhancement and involvement.

ABOUT YOU AND WHY YOU SHOULD BE AWARDED THE GRANT

1) **Please write an autobiography about yourself describing:** (you may attach additional sheets)
- Your education
- Your work history
- Your school activities, civic and community involvement through high school
- Any post-secondary education community or school involvement
- Current community involvement and leadership

2) **Please share why you decided to come to, remain in or return to the Jackson County community following high school or following your post-secondary education or training or service in the military.**

3) **Please discuss your ideas and your definition of leadership and how or where you fit into leadership roles in Jackson County now and in the future.**

4) **Please set forth your 5-year plan and how those plans relate to agriculture in Jackson County?**

5) **Please discuss your ideas for bringing value to Jackson County.**

6)   How do you view agriculture and what role does agriculture play in not only the future of the community, but of the state, nation and world-wide.

7)   What ideas or concepts do you have for the improvement of the way in which foods and fibers are grown and for keeping agriculture sustainable in Jackson County?
